# COBWEB THE CAT

a collection of short stories

# The Nap

A cub must rest. Next to a log  
is the best spot.

The cub is glad to nap.

A big web is spun.

.....

A finch sits on its nest.

A red fox ran to his den...

---

...and the cub went on  
with his nap.

A moth went past, then six.

A wet frog got on top  
.....  
of the log.  
.....

A bug lost its grip on a twig.

Then the bug bit the cub.

Bad bug! Stop that!

And that was the end  
.....  
of the nap.  
.....

The End

# At Camp

Ken and Ron  
.....  
went up the hill to camp.  
.....

Is that a fox?

---

A red fox on the path!

---

The sun was hot.  
.....  
Ron sat in the grass to rest.  
.....

Ken set up the tent.

.....

Can Ron get a fish  
in the pond?

Yes!

The fish fell off the dish!

Thud!

Did the fox smell it?

The fox ran with the fish.

Get him!

The fish is lost,  
but Ken has a plum  
in his bag.

Not bad!

A glass of pop, then to bed.

Zip up the tent!  
.....  
It is fun to camp on a hill.  
.....

The End

Cobweb the Cat

This is Cobweb the Cat.

And this is his windmill  
upon the hilltop.

Cobweb had much  
.....  
to do.  
.....

At six he had to check the milk  
that the milkman left.

Then he had to fix  
the bathtub.

Next, Cobweb had to dust  
the desktop.

Cobweb then fed a snack  
to his pet catfish...

...and had a drumstick  
and a bit of catnip  
for himself!

When the sun got hot,  
Cobweb went to sit  
with his best pal the bobcat.

Then he had to help  
hang his wet rug.

Next, Cobweb must hunt.

Is that a wing?

Jump!

Got it!

---

At sunset, Cobweb sang  
a song with the bobcat  
and the catfish.

And at ten, Cobweb went  
to bed on his rug.

A big day!

The End

What happens  
when...

- ...a busy cat lives in a windmill?  
...a sleepy bear cub takes a nap?  
...a grumpy duck demands a snack?  
...a singing bat befriends a lonely king?  
...a curious boy shrinks from tall to small?
